1. Update from the Chair – CM gave an update on previous communication with the football club over the past two weeks.
2. Academy – the recent loss of the sponsor for the Academy was a concern for all fans. CM proposed that WASC seek to donate 50% of membership fees and any coach profits to the Academy – specifically the Scholar Host Families scheme and we ensure that all funds raised go to that cause. The committee agreed on this if/when the full funds come into the club from the ownership.
3. AGM documentation would be circulated this week for the committee. CM confirmed that all members were happy to be up for re-election.
